Why should I hire a Squarespace Circle Member?

Working with a Squarespace Circle member offers the following exclusive perks on new websites:

- **Six-month trial periods** (instead of 14 days): Start new websites with an extended 6 month free trial before paying. This gives you plenty of time to work with your designer before having to pay Squarespace for your new site (or not!)
- **20% off** new annual website subscriptions.
- **20% off** new annual Email Campaigns, Member Areas, and Scheduling subscriptions.

A website...

- gives you a professional image
- allows you to showcase your art, products, and services
- can help you build credibility
- can generate leads and sales
- is a necessary part of doing business

We'll build it together...

All Squarespace design packages include training on how to update and maintain your website on your own, using Squarespace's intuitive editor. No coding knowledge needed!
